ABOUT ME

As a motivated and ambitious student pursuing a degree in Computer science, I am excited about the prospect of gaining hands-on experience through a summer internship in IT Companies. Eager to apply the theoretical knowledge I've acquired in the classroom to real-world projects, I am ready to immerse myself in the challenges and opportunities that company has to offer. With a strong desire to learn and grow, I am committed to contributing my creativity, enthusiasm, and determination to the internship role. Outside of academics, I enjoy competitive games, I am enthusiastic about the chance to collaborate with professionals in the field and make a meaningful impact .

PROJECTS

LIFELOOM (COLLEGE PROJECT)

- I developed Lifeloom, a health-focused website, using HTML, CSS, Bootstrap, and Flask. It offers an intuitive interface for accessing vital health resources while demonstrating my expertise in web development and commitment to promoting well-being.
